

Inaugural Lecture

Event Schedule

Lecture hall check

Please arrive in the main lecture hall 45 minutes before your lecture to set up your equipment with a member of the team Event Services. Please let them know at the start of the setup whether you would like to speak from the lectern or from the podium.

Introduction

A member of your faculty will say a few introductory words at the beginning of your lecture (3–5 minutes). Please take this into account when planning your lecture.
